YouView CEO: Don't count us out yet

FierceIPTV

Even though its launch was delayed more than once, YouView is still a viable IPTV service that will succeed, Richard Halton, the company's chief executive, said during the IBC 2012 Conference in Amsterdam. Because IPTV is relatively immature in the ...

Dune HD, MWare partner up to optimize IPTV expertise

FierceIPTV

Following the old adage that two heads--or in this case companies--are better than one, set-top box maker Dune HD and end-to-end IPTV platform provider MWare are bringing both ends of their equation together for the benefit of IPTV content providers ...

Bell Canada wants to fight U.S. OTT invasion with 'made in Canada' service

FierceIPTV

Bell Canada (NYSE: BCE) has had enough of over-the-top (OTT) video competitors like Netflix (Nasdaq: NFLX) invading the Great White North and taking away customers. The telco's answer is a "made in Canada" service available "on demand on any ...
