BT gives live rugby coverage a punt

IPTV News

UK telco BT has sealed one of the biggest broadcast deals in the history of club rugby, signing a contract worth up to GB£ 152mn (US\$ 245mn) for a range of exclusive live rights over a four year period to English rugby's biggest games. The deal ...

IBC 2012: Taking care of business

IPTV News

This year's IBC event lacked a big, overarching theme, or new "wow" topic to get journalists, analysts and market-watchers foaming at the mouth. And that's no bad thing. It's the sign of a maturing industry, and as a result, the show retained a healthy ...
